## Our Vision

To become a global leader offering unbeatable services for car hire, tours, vacation packages, exploration packages and adventure holidays to all humankind's favorite destinations in Africa, Europe, Asia, Australia and America.

## Our Mission

To help our clients explore the beautiful nature of the universe and experience the pleasure of traveling with comfortable, high quality and reliable cars from NATIONAL TOUR OPERATOR LTD.

We maintain a well trained and self-motivated professional staff, able to offer you the best land, sea and/or air traveling and tour services in Tanzania. Our staff are capable of offering personalized services and develop packages that suits client's interests, budget and time convenience. On special request we offer travel counseling to our clients.

## What we do

### Self - drive

Our company offers tailor-made self-drive packages best suited for your specific needs, interests and budget. This applies to both travelers and guided or self-drive tourists.

### Chauffer drive

Our customers can also rent a chauffeured car. This takes the weight off your shoulders as our professional drivers take over the responsibility of worrying about traffic congestion, direction, parking and porter services, letting you, our esteem customer, sit back and relax. Our staff's attention to detail will ensure that you arrive at your destination in comfort, safe and secure.

Our company offers and manages tour packages and services within Tanzania as well as other parts of Eastern and Southern Africa. These tour services include transfer within Tanzania, lodging, meals and guided tours by Air, Sea or Land. Guided tours include the visit to Mount Kilimanjaro, the famous Ngorongoro Crator, Serengeti National Park, Manyara, Mikumi, Ruaha National Parks and Beach holidays of Zanzibar, Pemba, Mafia, Bagamoyo, Dar es Salaam, Tanga and Mombasa.

Our customers will enjoy creative itineraries and comprehensive management of logistics based on an in-depth understanding of the industry and destinations. We are committed to making sure that your experience in Tanzania will be fun, informative and problem-free.

## Transfer Services

We offer airport transfers, resort transfers, city transfers and port transfers. Whether you need to get from airport to hotel or hotel to airport or a pick-up after your cruise, we can help with any airport transfers or port transfers to your resort or hotel via low cost NATOL shuttles or can service We will supply you with online pricing, availability, instant online confirmation and billing, ensuring that all your travel details for your resort transfers, airport transfers and city transfers is available in minutes!

Currently NATOL supplies holiday cabs, shuttle buses, vans for the following airports; JK Nyerere International Airport, Dar es Salaam, Kilimanjaro International Airport and Mwanza Airport

## Wedding cars for hire

If you're searching for beautiful but affordable wedding car for your big day, look no further. We are specialists in the provision of wedding day transportation and have years of experience within the industry. Plus we can offer you the biggest range of wedding cars in the whole Tanzania, so regardless of how unusual your request may be, we are certain we can source the perfect wedding car for your special day.

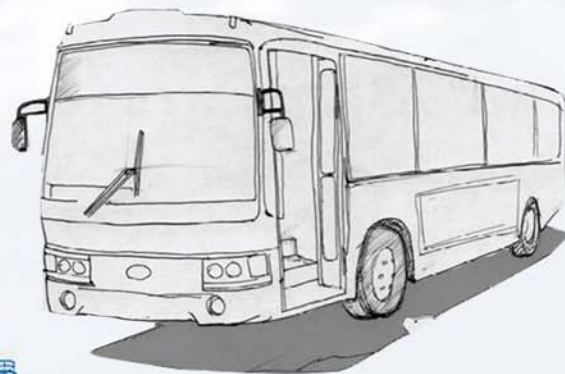

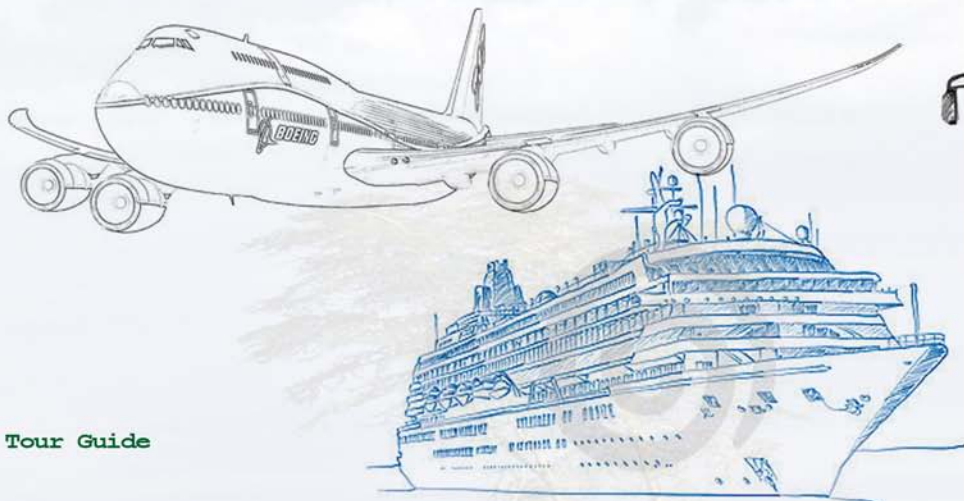

Whatever your taste or style, we can offer you a wedding vehicle which ticks all of your boxes. For traditional brides and grooms, take a look at our fleet of classic cars and we guarantee you won't be disappointed.

As part of our complete wedding car rental package you will be provided with a suited, friendly chauffeur who will be on hand to assist you during your trip. You'll also be supplied with complimentary bubbly to toast your happy occasion, and we can arrange to have your chosen vehicle decorated in flowers or ribbons of your choice to tie in with the theme of your wedding.

## Our Staff

We maintain a well trained and self-motivated professional staff, able to offer you the best land, sea and/or air traveling and tour services in Tanzania. Our staff are capable of offering personalized services and develop packages that suits client's interests, budget and time convenience. On special request we offer travel counseling to our clients.

## Tour Guide

We work with Tanzania's registered tour guides who are professional and knowledgeable. They know the country better and can turn your holiday into unforgettable lifetime memories. Our drivers have not less than 7 years experience in the profession. All of them are holders of class C driving license and have a vast experience in They also have strong interpersonal and communication skills. The entire driver's team is provided with mobile phones to keep them in touch with the clients and NATOL HQ. Additionally, they are made part of our clients' family and can receive trainings and instructions to cope with their corporate culture.

## Our Fleet Management Technology

Each NATOL vehicle is tied with a vehicle tracking system, a direct-link information handset for each driver for immediate vehicle dispatch and advanced GPS. NATOL has recently signed up with U-Track Tanzania to gain access to their fleet management technology. This guarantees safety, reliability and comfort to our corporate clients. With this system our customer service department can track real-time location of the vehicle and manage over speeding.
