Banner Wall

It is a full colour cloth print that attaches with velcro to the a collapsable frame to form a free standing banner wall. Perfect for indoor or outdoor. It's the perfect backdrop banner display.

The Banner Wall comes in 2.25 x 3.00 and 2.25 x 2.25 meter.

Literature or Brochure Stands (A4)

This is an elegant unit and folds away into a handy carry bag. The unit weigh around 3 kg.

Circle Hanging Banners

Hanging banners are perfect for indoor displays. Used at exhibitions, event, seminars and in shop fronts or as window or isle dressing in shops and shopping centers. We can make hanging banner form the standard size of 1.6 x 0.6 meter wide up to 5.0 x 10.0 meters as used for backdrops at staged events.

Printed in full colour and supplied with pipe and finials at the top and bottom with suspension cables and hooks.

Three or Four sided Hanging Banners

Hanging banners are perfect for showroom displays. Units are made to size as requested.

Canvas stretched over Wooden Frame

We print these signs on banner cloth or satin. The image is wrapped around a wooden frame to give it the wood and canvas feel. Frame depth from 32mm to 100mm.

X-Banner stand

This unit is up market and high-tech.

Very good tool for any indoor event or to be used simply as a point of sale unit.

Indoor telescopic banner stand

This banner stand can be adjusted to you specifications. Printed single or double sided.

Hanging Banner for indoor

Printed in full colour and can be used as passage displays in shopping centers and malls or as in store advertising material. Printed single or double sided.

Outdoor Displays

Handheld flags - Hand wavers - A5

Ideal for promotional or sports events.

Printed on paper - printed on both sides and the prints do not need to be the same on both sides.

Pavement Wind Spinners

Ideal display as an outdoor pavement rotation display.

Telescopic of Feather Banners

2.2 meter up to 6.0 meter with full colour printing, system, ground spike and carry bag.

Shark or Fin Banners and Flags

2.0 x 3.0 and 4.0 meter with full colour printing, system, ground spike and carry bag.

Corporate and Country Flags

Standard Size is 1.2 x 1.8 meter supplied with toggle and rope. We can manufacture any size flag requested. The smallest being the little flag that is supplied on a tooth pick and the biggest flag manufactured to date is 7 x 15 meter. No size too big or too small.

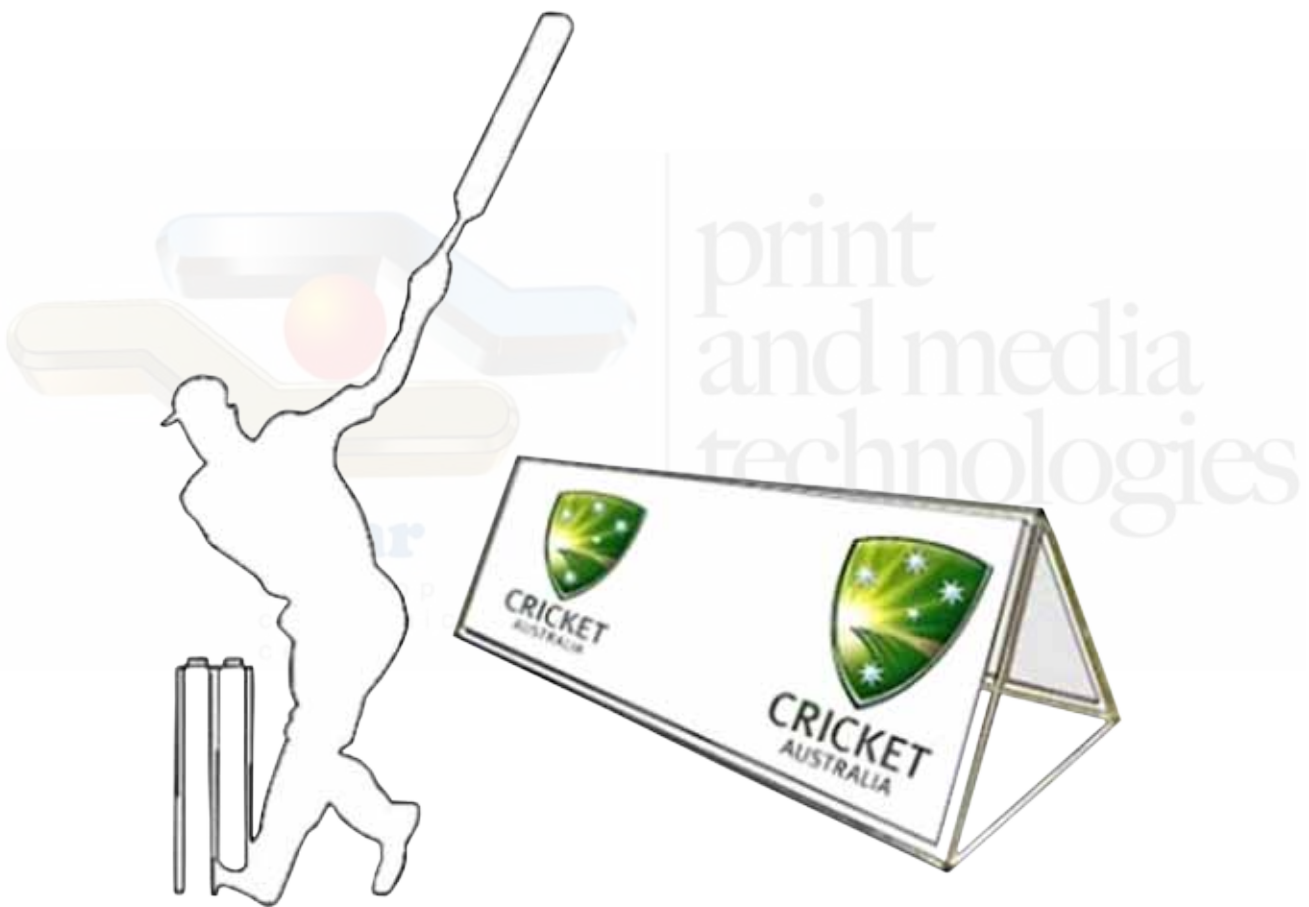

Printed advertising or marketing bibs

Printed in full colour on PVC or Cloth

A-Frame Banners

We took the A-frame to another level. The unit is standard at 1.0 x 2.0 meter and printed both sides on PVC. We now also offer you the option of having the unit printed on our banner cloth. This is perfect as it also allows printing on the two small sides on the unit at no extra cost. Unit supplied with system, full colour print and carry bag.

PVC Prints

Cloth Print wrap-a-round

The Pop-Open A-frame foldable banner

This unit looks way different to any other product on the market. It is a double sided unit that folds away in seconds. No instructions needed and it cannot twist out of proportion. The unit is supplied with full colour print, ground pegs and carry bag.

1 x 2 meter with printing in full colour on both sides

Gazebo

The collapsible gazebo is also supplied with branding, carry bag and tie down ropes. This is a locally manufactured unit and is the most stable unit. All parts can be repaired and the unit comes with a 1 year guarantee.

Bunting

We print the bunting on the same cloth used for flags. The edges are scorched to do away with fraying. Images are sublimated in full colour with a perfect shine through to the other side.

Signage

We manufacture signage that will blow your mind and get the attention needed to grow your business. Signage is a product that is very price orientated. Therefore, if you give us a budget, then we will be able to give you the best solution to your permanent signage requirement.

Here are some samples of the units that we can manufacture just for you. You will be very pleased with the price.
